

## ENVIRONMENTAL POLICY

Date of issue 02/01/2023

We are a local construction company situated on the outskirts of Bridgend. We undertake work for both the public and private sector which includes refurbishing and carry out improvements to properties.

D&M Building Services LTD recognises the importance of complying with all regulatory requirements and is committed to minimising the impact of its activities on the environment.

Our Aims:-

- To comply with all relevant regulatory requirements.
- Minimise the impact our activities have on the environment as much as possible.
- Co-operate with others and help them comply with regulatory requirements.
- Raise staff awareness and promote good environmental awareness.

Our objectives: -

- Re-use materials and reduce the amount of waste we produce during construction and demolition works. Target 94% recycling rate for 2021. (2020 recycling rate of 93%)
- Only use approved waste carriers.
- Ensuring that all sub-contractors buy-in to our environment policy.
- Implement a training program for our staff to raise awareness of environmental issues and enlist their support in improving the Company's performance.
- Reduce the amount of fuel used through our work equipment and vehicles.
- Comply with all environmental regulations and law.
- Prevent pollution.
- Liaise with others to improve their environmental performance.
- Continually aim to improve our performance.

A handwritten signature in black ink, appearing to read 'D. Llewellyn', is written over a dotted line.

Mr. David Llewellyn
